"Their efforts together with those of our staff and advisers, whose diligence and care for our customers and tenants have allowed us to grow the Market Tech portfolio, significantly unlock the potential of our assets and development projects and help build on Camden Market's status as a world-renowned tourist spot while increasing its attractiveness as an area for Londoner's to work, live and play. On behalf of the outgoing board members, I would therefore also like to thank all the staff at Market Tech for their dedication and commitment to what the Company has achieved and give them, as well as the new board members, our best wishes as they take Market Tech forward."
